Laird A. Lile elected president of the School Advisory Council for Naples High School

NAPLES, Fla. (May 28, 2013) – Laird A. Lile, a wills, trusts and estates attorney in Naples, has been elected president of the School Advisory Council for Naples High School.

The SAC oversees and assists in the development, implementation and evaluation of the school improvement plan and annual report of educational improvement; evaluates performance of education programs; provides fiduciary oversight; and acts as a liaison between the school and the community.

SAC members contribute their expertise, time, talent and resources to advancing education. Lile has served on the Naples High School SAC since 2009 and also has been on the SAC for Gulf View Middle School and a representative to the superintendent’s District Advisory Council.

“Community involvement in our public schools helps the teachers and staff by providing them with access to community resources, helps the students by developing relationships to encourage jobs and support and, mostly, helps the community by reminding us that these schools are our schools,” Lile said. “We need to be committed and involved.”

An elected member of the Board of Governors for The Florida Bar, Lile serves on the Supreme Court’s Florida Courts Technology Commission, which is overseeing the technological overhaul of the state’s courts.

Lile is certified by The Florida Bar as a Wills, Trusts and Estates lawyer and is a Fellow in the American College of Trust and Estate Counsel. Past chair of The Florida Bar’s Real Property, Probate and Trust Law Section, Lile has been included in Woodward/White’s The Best Lawyers in America since 1995 and was named to Florida Trend’s Legal Elite Hall of Fame in 2010.
